

What Can I Do in the Sand Area?

I can use my hands or tools to dig, fill, shape and explore.

I can use simple language to describe size, weight or capacity and make comparisons.

I can talk about the different textures I can feel.

I can make lines, shapes and marks in sand using my finger or a tool.

I can build stories around toys in the sand tray.

I can observe and talk about changes that occur in the sand, such as adding water or knocking down sandcastles.

I can choose the right tools to carry out my plan.
